MESSAGES

- Shri OP Tiwari, President

The importance of yoga has much increased after the Honourable Prime Minister's message to promote it globally. Our awareness can be increased only with powerful means. We should keep in mind that growth should not result in dilution of yoga. This newsletter must always carefully take traditional yoga practices ahead with the time. As said by a famous Yogi "Yoga has a complete message for humanity. It has a message for the human body, it has a message for the human mind and it also has a message for the human soul. Will youth come forward to carry this message, not only in India but in every corner of the world?" I wish that the newsletter will gain popularity among the masses. I hope that IYA will prosper to carry this message.

- Dr HR Nagendrari, Senior Vice President

Indian Yoga Association – a realization of a dream!

It is a matter of great pride that Indian Yoga Association (IYA) has become active again. The fact that the legendary Bheeshma Pitamah of modern yoga Late Padma Vibhushan Dr BKS Iyengar initiated the process of IYA may be a reason that all yoga schools could come together for a single cause. At the time of the formation, many different schools were doing good work in their own different way. But with the formation of the Association, there appeared hope that yoga could be standardized. Under the leadership of Late Dr BKS Iyengar Guruji, we found a way to realize the dream of a yoga not 'fragmented by narrow domestic walls' as Rabindranath Tagore said, a yoga which can lead the world not by exclusion but by a principle of universal inclusion, a yoga that could be propagated everywhere, a yoga that is authentic and as per the scriptures, a yoga that is a gift of India to humanity! He rightly said "...if musicians from north and south can do a Gharana, why not all yoga masters join hands?" and we have done it under his leadership. Now the time has come that we move fast to bring his dream to reality. We need large number of members for IYA as our new President Sri OP Tiwari emphasized.

I urge and direct everyone, who knows me directly or indirectly and even those who do not know me, to take up the cause of the Indian Yoga Association. The Association has not only been made for practitioners of yoga but for anyone who is willing to become a part of this movement called Yoga. And I request all members of IYA to put all their efforts to bring their alumni to become members soonest.
